Ultrasound Referral Information

The patient listed below has been scheduled for an ultrasound (echocardiogram) with Dr. Schott. Please have the referring veterinarian complete this form and fax it to Birchwood Animal Hospital at **(204) 889-9708.**
A 12 hour fast can help reduce gas which will aid with cranial abdominal studies, please encourage it if this is the area of interest.
Dr. Schott will telephone the referring veterinarian with the results on the same day if possible, and will fax a written report within 48 hours.
