

## ABOUT THE ANIMAL HEALTH FOUNDATION:

The Animal Health Foundation (AHF) is a charitable 501(c)(3) partner of the Southern California veterinary profession, supporting the companion animal community and wildlife in need. Each year AHF offers financial assistance to pets and their owners in times of need, including disaster relief and individuals directly affected by these economically challenging times.

Founded in 1967, the organization focuses on serving communities in Los Angeles and Orange County with resources and references to professional services and benefits. Throughout the years, thousands of pets and families have benefited from funds directed towards worthy causes. Our funding comes from the generosity of individual donors and companies who love animals and want to assist in enhancing their quality of life. Every effort is made to enhance the group's resources.

Moving forward, AHF plans to introduce new initiatives and programs to further assist those in need. We are proud to help pets and their owners throughout Southern California.

You can learn more about the AHF at [AnimalHealthFoundation.net](http://AnimalHealthFoundation.net).

**Wellness Rewards Card**

Our Wellness Rewards Membership is a proactive approach to rewarding pet owners for giving their pets the best chance to live a long and healthy life. We have developed a rewarding membership plan that will make it easier on your budget and support a greater cause at the same time.

### Membership Benefits:

- Instant Rewards of 10% Cash back that will be loaded automatically on your membership card with every purchase and can be used like real money towards future services.
- With every dollar you spend at Animal Clinic of Tustin Ranch-Irvine we will donate 2% of the total bill to the Animal Health Foundation or to another local animal non-profit organization. This is done with complete transparency and accountability through our membership platform.
- Two examinations (illness or wellness) every year. A \$120 Value!
- A complimentary nail trimming during your pets birthday month.
- Many other exclusive benefits that members will get throughout the year.

### Why Wellness?

- Because an ounce of prevention is better than a pound of cure. Early detection of illness is essential for pets and regular examinations can help detect the early signs of disease. Sadly, far too many owners are waiting to have their pets examined until it's too late.
- Healthy animals make healthier humans! Many studies have proven the emotional and physical benefits that pets bring us, from lowering depression to having an increased sense of purpose. The impacts that pets have on us are immeasurable!
